DEDICATION

We, the Wildcat Staff, dedicate the 1975-76 Freedom '76 annual to our parents in acknowledgment of and appreciation for the faithful help and sympathetic guidance through our school years. We lift our hearts and voices in a song of praise to honor you--, our parents, for love, faith, and principles.

SPEECH

Spontaneity

For a brief moment
the graceful bird
lingers on a cliff,
overlooking a nameless river.
His wings are tucked into the side
of his staunch and erect body.
His head turns slightly while he
studies the country below.
For these are the people
who gave him a golden title
and he is proud.
On his special birthday he allows
himself to be viewed by weekend campers.
His dark, knowing eyes search theirs
for understanding,
and as if they are aware of this,
the astonished people think of the days
when this nation was first growing.
None can experience the pain or the happiness
which ocurred during this time
but they can benefit from its results.

We have much to be thankful for.
No, it hasn't been easy and
our future is unsteady if we
don't control our faults;
but like the eagle,
if we stand tall and let the wind rustle
our hair every so often,
memories will fill our minds ...
memories of the past are
the best indication as to
where we're going.

The silent creature,
having remained still long enough,
reaches for the sky.
Stretching out his massive wings,
he soars gallantly above
the mountain tops.
The weekend campers marvel at
this unusual sight and
celebrate its occurrence
with a silent prayer---

To have, to hold, to keep,
this is our nation;
and whatever becomes,
its because of us.
While George Washington only had
the Delaware to cross,
we have tommorrow to reach.
Lets work together for survival,
for our sake,
and the eagle's.

Becky Roach

A bird
shimmering, startling,
gliding gracefully
through a crystal clear sky.

The flight
breathtaking, swirling,
flawless patterns
in intricate patterns.

The song
joyous, peaceful,
cheerfully chirping
in a crisp cool morning.

It's gift ---

PROPHECY

We now take you with the graduated Seniors of 76 to their 12 year reunion.

MARK LAMBERT is a Ford car salesman. He is his only cutomer. Who else would want a Torino?

DON GRAUBERGER and BRIAN MITCHELL have formed a corporation entitled the "Mitchell and Grauberger Circus." They are constantly running around acting like clowns...

JAMES DODD is now following the retired Evil Knievil's footsteps---he has broken his leg, both arms, 10 ribs, his nose, all 10 fingers, and has had 6 concusions but hasn't felt pain yet!

BRIAN KIPP is now training to be an olympic distance runner, only he won't tell anybody that his distance is only 10 feet!!!

BRUCE UNREIN is working in the Secret Service as a hit man for the Trigger Happy Cops.

KENDRA KINZIE has just received her crucifix---as she has been named Head Mother of the Pueblo Convent.

DARLENE DAVIS'S modeling career fell through so now she is trying out for head cheerleader of the Almost Anything Goes Team.

DEBY WILSON is on an expedition in Egypt. We received word from her mummy that she has finally found Mr. Right out on the sands.

We see RANDIE MATTISON living in an old shoe--she has so many children she doesn't know what to do. So finally she got her husband, Little Jack Horner, out of the corner to apply for a job.

SUE UHRIG happens to be the first woman basketball player with bionic ankles. Too bad she can't play basketball with her ankles instead of her hands.

JIM ETL is the starting back for the Denver Broncos. Go Broncos...take STATE!!!

Since the great Fonz has passed on---LYLE SCHMIDT is now trying for his own series. If it is accepted he will be known as Darc Matzarella also known as the "Motz". Wait a minute...we have just received word that his show flopped but he has been accepted for a co-starring role in Shirley and Laverne!

JOE THOMAS is a Sultan in Saudia Arabia. He owns his own Herom. He still wrestles for a past-time though. He won't go to state, but he sure sets alot of records!

PAT LOPEZ is the Head Professor of the English Language Department at Harvard University.

Words never before mentioned in Fleming High School can now be found in JOE SCHAEFER'S newest edition of the Pornographic Dictionary. They say it's dirtier than the bottom of the Hudson River.

We are sorry to report that LEON WIEBERS slipped in one of his chains of greasy spoon restaurants. The steaks are...he will recover.

Things are looking up for BLANE HICKS, about a week ago he became a zoo keeper of the Cheyenn Mountain Zoo. Too bad he couldn't be here but they had an escaped gorilla on the loose, and it was Blane's job to find him.

SAUNDRA FITZJOHN has gone into partnership with Mark Eden. Boy, you should see her now.

JIM BORNHOFT is now the famous owner of a "Parking Lot" near the Fleming Cemetery. It is rumored he uses it more than his customers.

GLORIA BORNHOFT is now the famous assistant at the Rehabilitation Center in Sterling. Gloria's job is to teach people how to walk on crutches since she's had so much experience.

LUANN HELGOTH is spaztically running around trying to get specimens for her next month's edition of Playgirl Magazine. It's a wonder she's had this much success with volunteers.

VICKI BLEDSOE is a real close friend of Dick Cavett's and had joined in his talk show about a year ago. Dick is afraid she is going to take over the whole show.

SANDY BREKEL is unable to attend tonight because she was assisting Dr. Gannon in a minor brain transplant at the Medical Center.

KELLY DAVIS was the millionaire owner of a large tobacco plantation in the South but all of his profits have gone up in smoke.

and that's the way it is.....

SENIOR CLASS WILL

I, LUANN HELGOTH will my spaz nylons to Tamy Schepler. Now she has a pair of nylons to match all her scarves---all at the same time.

I, PATTY LOPEZ, from the bottom of my legs, do will my really small feet to John Williams and in the future he won't have to worry about where he steps.

I, DEBY WILSON, do will my quietness to Chris Hauschild, so everyone else can say their say.

I, SAUNDRA FITZJOHN, do hereby will my ability to flirt to the freshman. They don't need it but I don't have it.

I, BRUCE UNREIN, will my well polished Chevy to the town cop, since he wrecked his car.

I, JAMES DODD, will my well worn out tires to Johnny Williams so he won't burn tires off all over town in his blue hunk.

I, LEON WIEBERS, being of great body and very little mind, will my size and strength to Coach Anderson so he can keep Stevie Unrein from picking on him.

I, JOE SCHAEFER, being of sound mind and great body, do so will my seat belts to anyone and everyone who sees or meets Johnny Williams driving anything and everything.

I, JOE THOMAS, being of sound mind and good body hereby, thereto, and heretofor thus will my ability to wrestle to George Katein.

I, KELLY DAVIS, being of sound body and toe, hereby will my knees to Bob Deines for the next years football season.

I, JIM ETL, being of unsound mind and body will my memory to a...a...a I forgot his name.

I, BRIAN MITCHELL, being of narrow mind and narrow body, do hereby willfully will my amazing talent of running away from trouble to anyone who needs it.

I, GLORIA BORNHOFT, being of deprived mind and abundantly blessed with an oversupply of body, do hereby will my graceful ability to break my foot twice in one year to Lewis Frank just in case he needs an way out of basketball again next year.

I, RANDIE MATTISON, being of sound mind, do hereby will my red station wagon to Bob Vandenbark and Cindy Pyle, the tires are all flat, but it doesn't make any difference 'cause they're always parked anyhow.

I, SANDY BREKEL, will my BRONK shirt to Kendra Morison because you can say Bronk when you are really mad and the teachers don't get mad and since Margaret Katein is going to a Summer Science Program, I will her my ability to inspire strange going-away parties.

I, BLANE HICKS, will nothing because I'm greedy.

I, SUE UHRIG, do hereby will my engagement ring to anybody who is gullible enough to believe I have one.

I, LYLE SCHMIDT, in the soundest of mind and the fitest of body, will my way to anybody who wants it because where there is a will, there is a way.

I, BRIAN KIPP, will my unusual tall height to Lewis Frank, I think he could use a little more.

I, DON GRAUBERGER, being of sound body and insane mind, do hereby will my clown suit to Mr. Anderson to match his funny looks and it's red so it won't clash with his beard.

I, VICKI BLEDSOE, will my ability to get caught for anything I do, to Chris Hauschild. She doesn't need it but I want to get rid of it.

I, KENDRA KINZIE, will my questionable eyesight to Kendra Morison so that she may have an excuse for always using her hands.

I, DARLENE DAVIS, will my ability to cause car accidents to Don Hulse so he'll have an excuse for all of his.

I, JIM BORNHOFT, will my hang-over to Craig Loos so he will know what it feels like.

I, MARK LAMBERT, will my dingo boots to Coach Szlanda, just for a kick.

I, MR. MAGDANZ, will my gray hair to all the future Senior class sponsors.

We, the Senior Class of 76, do hereby will our school lunches to the starving children of India. (If they weren't starving before, they will be now.)

We, the Senior Class of 76, do also will our superior intelligence to the teachers, so that next year they will be smarter than the students.

CROSS COUNTRY

The season began with hard training by three individuals and the aid of two football players. The first meet was at Sterling where Fleming placed second in the class of AAA, AA and A schools. Sterling won with a three point margin. Brian Mitchell placed 1st, Brian Kipp 5, Mark Lambert 10, Don Hulse 26, and Craig Loos 27. The largest meet we ran at Bloomfield. The J.V. John Williams, and Valerie Mitchell, the first female athlete in our league to participate in boys athletics, placed 97 and 143 respectively in a field of close to 200. The varsity runners competing against double A schools finsihed 13 out of 21 with Brian M. 5, Don H. 41, Mark L. 42, and Neal L. 49, in a tough 2 1/ 2 mile race.

The close of the successful season was the state meet at Pueblo where Fleming was one of the two schools representing class A. They were led by Brian M. placing 11 with a new school record of 10:31. Brian K. placed 48, Mark L. 55, Craig L. 78, and Don H. 80. Fleming can be considered the class A state cross country champions of 1975.
